foam + labs.

Spazio Outdoor Chaise

Our modular Spazio Outdoor Chaise is perfect for relaxing and entertaining on your patio or poolside. These versatile, luxurious editions to our bean bag range are made using the limited edition Sunbrella® Cast fabrics - perfect for modern interiors and durable enough to withstand outdoor living. The finely textured, heathered weave is resistant to dirt, mold, mildew, and UV rays and is designed to maintain its beauty with proper care and easy cleaning.
